PRO-CLASS RULES

The PRO-CLASS is a MEN BODYBUILDING category. Access to this category is granted to the winners of an International competition of the past, plus the winners of the actual competition where the PRO-CLASS contest is being held.

The PRO-CLASS must be present at the two major international competitions (World Championship and Mr/Ms Universe). The total amount of the prize given must be at least 5000 euro (WABBA International will guarantee that). The prize money will be divided as follows:

1° PLACE 1500 €
2° PLACE 1000 €
3° PLACE 1000 €
4° PLACE 500 €
5° PLACE 500 €
6° PLACE 500 €

The PRO-CLASS can be offered at any international competition with the same amount of money. In such case the organizer must guarantee the prize and pay a fee to WABBA International which will promote it.

WABBA International will appoint a person in charge of the management of this category. This person will take care of keeping contacts with the athletes, promoters, sponsors and so on.

The same concept will be soon extended to the Ms Bikiny and Men Fitness categories.
